

Empathy Map

ComicCraft – AI/ML & Generative AI Project

Empathy Map – Target ComicCraft User

Says	Thinks
"I have an idea for a comic." "I want to create it quickly."	"Can AI turn my idea into panels?" "Will the story match my prompt?"
Does	Feels
Enters prompts, experiments with ideas and reviews generated output.	Curious, creative, excited, and sometimes unsure about comic structure.

User Needs

- Simple prompt-based interface
- Fast generation
- Coherent story flow
- Clear four-panel organization
- Easy-to-understand output
- Future support for actual comic images and downloads
